UNIFORMS FOR ORPHANS WALK – THE NUM-NUM TRAIL

In September 2011 the Num-Num and Jacklin Organic staff found out that there are nearly 350 orphans living in and around Badplaas and Machadodorp. Mpumalanga has the second highest HIV/AIDS infection rate in the country.

The week of the walk the rains came down! But fortunately Mother-Nature let up and the weather was perfect on the day. Fifty-nine people came to sample the wonders of The Num-Num Trail. Many people trekked all the way from Johannesburg and Middleburg just for the day. The Assmang Rainbow Hikers were there in full force – and the only ones to tackle the 8km Kokoboom Pad. Everyone else did the Bosbok Roete and enjoyed swimming in a number of very beautiful waterfalls. At the end of their hike everyone got to sample Jacklin Organic's delicious home-made curry.

We raised just over R14,000 and a bakkie load of donations (e.g. clothes, blankets, toys and food). The money brought uniforms for 51 children in the most need (older children and child-headed households). We even managed to afford Toughees shoes thanks to PEP stores support. The food was immediately given to 4 families of children who were starving and had not got on the Social Welfare list yet.

This is just part of her report! It shows what can be done. Contact her if you want to be involved or for more info.

Something else:

LAAT MENS DINK

"We don't stop hiking because we grow old, we grow old because we stop hiking." - Finis Mitchell
(Erkenning aan Bellville stapklub)

As the strength of a chain is that of its weakest link. The slowest hiker or the most vulnerable, the one who limps or has blisters, must always be in the lead. If he makes it - everyone makes it.

Welkom Voetslaanklub het vir 8 mense plek bespreek by die Kaapschehoop Staproete, en reeds betaal, maar kan ongelukkig nie meer gaan nie. Die roete is geleë naby Nelspruit in Mpumalanga en daar is 4 oornag hutte wat ideaal geleë is om die mooie natuur te ontdek. Die tropiese klimaat verander die area in 'n jaarlange paradys met 'n verskeidenheid voëlsoorte, blomme, wilde diere en fasinerende rotsformasies en watervalle.

Stel u belang om daar te gaan stap? Datum 1 - 6 April 2012. Kontak vir Alida Calitz by 083 7484 828 of 057 - 398 1028.

CANSA RELAY FOR LIFE

This is a 12 hour relay where teams of ±15 people take turns to walk around the track – and there will be plenty of activities on the side to keep everyone awake and entertained.

Where? Boksburg Stadium

When? Friday 23rd March from 5 pm to Saturday 24th March 6 am

If you wish to walk with us, contact Linda on 083 441 7649 or info@lindel.co.za
